To All Our Families

My name is Androulla Nicou and I lead Connect Education Trust. Before the end of another busy term, I just wanted to reach out to you, our families. It is an incredible honour for me to lead and serve this great partnership of ours. While we have seen success, we are always wanting to do more for our children and young people. This is an important time for the education system and for Connect. Make no mistake, we are heading for greater places as education evolves and we evolve with it. My role is to ensure that the Connect Education Trust thrives in an ever-changing world and that our children are served well across our partnership of seven schools.

What do we do next?

We need to continue to prioritise our children and ensure Connect delivers on our core value of empowering our children to lead **Remarkable Futures**. As part of our Connect Education Trust strategy we have plans that will move us closer

to achieving our goals. I have shared our vision with you in this newsletter.

Over the last term I have been fortunate to have the opportunity to visit all our schools and see our children in their learning environments. They are certainly being given every opportunity to succeed.

Finally, Connect is fortunate to have a wonderful group of talented hardworking people. We can only continue to achieve success and **Create Remarkable Futures** for our children because of their dedication and hard work. I thank them all. As the term comes to an end, I wish you all health and happiness.

Connect Core Mission

To connect with our pupils and offer them an exceptional education. Recruiting inspirational and committed teachers, school leaders and people to empower each and every one of the children in our care.

Connect Core Vision

Connect Core Values

We Care: It's our calling to protect and grow our pupils and our people. We work in a world where empathy, thoughtfulness and personal responsibility are absolutely essential.

We Empower: Our pupils and our people are equipped and encouraged to be the best that they can be. We give pupils and our people the skills and the belief they need to succeed.

We Create: We get things done, through hard work, resilience and high energy. We dream big and imagine bold new ways to shape the future of learning.

Creating Remarkable Futures

A remarkable future. It's what our children deserve, but what does it actually mean?

- Offering a well-rounded education that gives pupils every chance of success
- Helping pupils to fulfil their potential and to be the best that they can be
- A place where all pupils are included and enabled to flourish
- Giving pupils the confidence to believe in themselves and to dream big
- Supporting pupil's wellbeing to develop well rounded individuals who contribute positively to society
