

Safer Internet Day 2022

All fun and games? Exploring respect and relationships online

How do we use the internet?

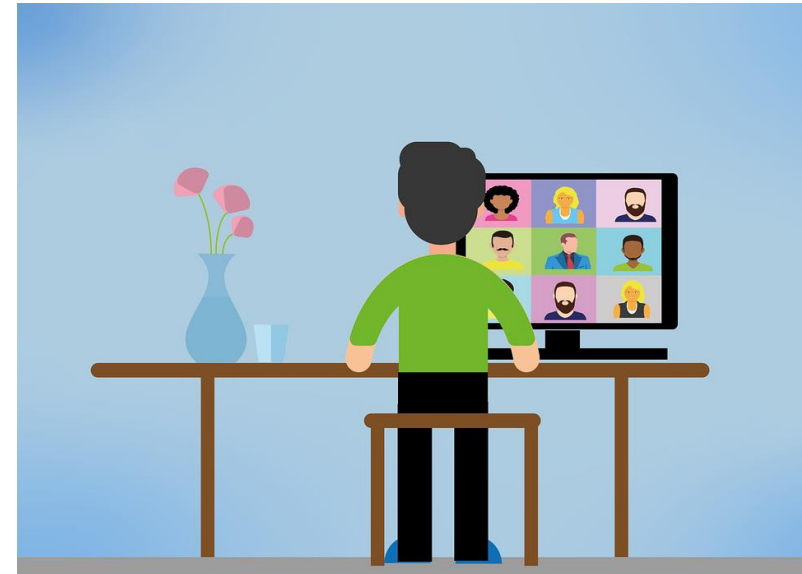

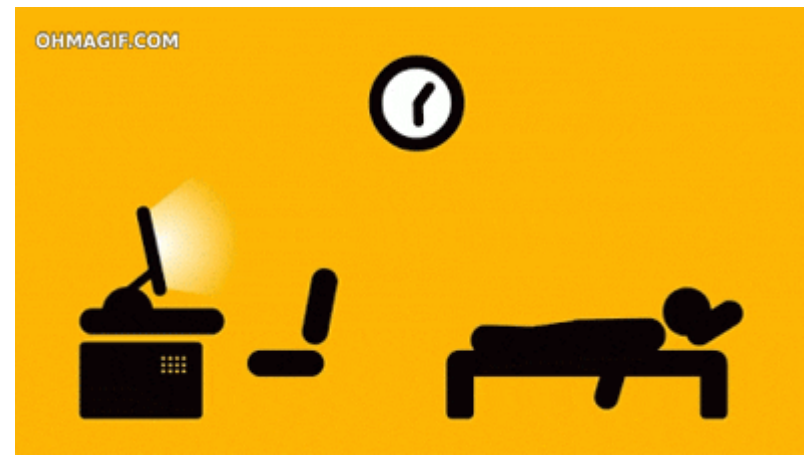

You Tube

Google Classroom

- This time last year, everyone's internet use was very different
- Nevertheless, our internet use is still a major feature of most aspects of our lives
- The way we communicate and our relationships with each other are no different

What is Safer Internet Day?

Safer Internet Day is an annual event that promotes making the internet a great and safe place for children and young people

Internet
Day 2022

Sometimes it really isn't all fun and games

- The internet is a great resource but some users don't have the conduct that they might have in real life
- 'Trash talk' can very easily become cyberbullying
- If you wouldn't say something in real life, don't say it online!
- How would you ensure respect and positive relationships online?_____

How can we ensure respect and positive relationships online?

- Virtues and character
- Report inappropriate content or conversations
- Don't take part in negative behaviour
- Don't access sites or platforms that aren't age appropriate
- Think before you speak or type
- Stop if your emotions are heightened

Finally... are you following the rules around internet use?

Minimum age for Snapchat - 13
Minimum age for WhatsApp - 16
Minimum age for TikTok - 13
Minimum age for Instagram - 13
Minimum for Discord - 13

Tips for respect and positive relationships online

- If you wouldn't say it in real life, it's probably offensive
- Don't share personal details about yourself or anyone else
- Don't engage in negative conversations
- Don't allow your emotions to control you
- Report inappropriate conversations or content
- Don't use platforms or sites that aren't age appropriate
