Book Fair

A big THANK YOU for supporting our recent book fair and supporting your children with reading.

The sale of books totalled an incredible **£974** which will go towards providing our school with free books for our library.

World Book Day - Friday 8 March

Paul Lyalls, a poet will be joining us on our World Book Day. He has been poet in residence for the Roald Dahl Museum and has worked with Michael Rosen, Arsenal FC and Benjamin Zephaniah. The school will be fully covering the cost of his visit, when every year group will have workshops with him – so no charge to parents/carers.

Pupils will have the chance to read their library book with other pupils from their school family (Citrine, Emerald and Garnet). **We are not asking pupils to dress up as book characters, but just to wear comfortable clothes to relax and read books during the day. They can also bring in a cushion/blanket/slippers (to change into) for their shared reading time.** Parents and carers - you do not have to worry about making or buying costumes.

Pupils will also have the chance to have Paul's poetry book signed at the end of the day, please order through the school office by next Monday 26 February, at the latest.

World Book Day - Book Swap on 8 March

Pupils will have the chance to swap their unwanted books with others. Pupils should bring their book in from Monday 4 March until Thursday 7 March ready for their book swap on World Book Day – 8 March.

Science Week – 11-15 March

This year's theme for Science Week is 'Time'. As part of Science Week, the pupils will partake in a range of activities to spark and inspire their scientific thinking. We will be collecting data for our school, which will then be shared with the government. Our small actions can make a BIG impact on our world today and in the future! As a school, we are collecting and recycling batteries as part of the Duracell Big Battery Hunt from Monday 26th February. Please send in your child with any old batteries into school. We are collecting the following batteries: AA, AAA, C and D.
