

The future of reading

Loved
by over a million
children in the UK.

What is Bug Club?

- It has carefully graded reading books and eBooks
- Your child can take home the books as well as accessing eBooks via a personalised website

Using the books

Notes for parents on the inside front covers

- Practise high-frequency words and sounds that appear in the book with your child
- Don't worry if your child struggles on the tricky words
- You can use the games and questions for discussion with your child

Using the books

Children's activities on inside back covers

- Play the games to encourage your child to read back through the book
- There are ideas for making things and drawing things

"It's not," I agreed. "Not if you follow the guide."
Tara looked confused.
"I'll show you later," I said. "It's not quite finished yet."
I would show her, but right now Mum had the frying pan out and my stomach was telling me that it had missed breakfast. One fried egg sandwich later. I went upstairs to add my final tip to my guide before showing it to Tara.

Find it!

What happened when Lily bit into a cherry tomato? Have you ever had a snack attack?

Share it!

Freaky pictures!

Look at the illustrations in the book. Many of these are funny drawings of Lily's thoughts during a day with her family, e.g. Mum's eyes bulging like a tree frog, or the fireworks of anger fizzing around Tara.

Write about a day when lots of things happened to you and your family or friends. Add drawings to show how you were feeling or what you were thinking at the time. Make your drawings as weird, funny or as freaky as you like, and then share them with someone who was there on the day. Do they recognise some of the events in your story?

How many other books can you find that include a diary written by one of the characters?

Why are we using eBooks?

- Your child can enjoy reading books on screen and completing fun quiz questions found in the eBooks
- The quiz questions will help the children practise their reading skills
- The Foundation and KS1 eBooks are also audio-books, so children can enjoy hearing an expressive reading of the story

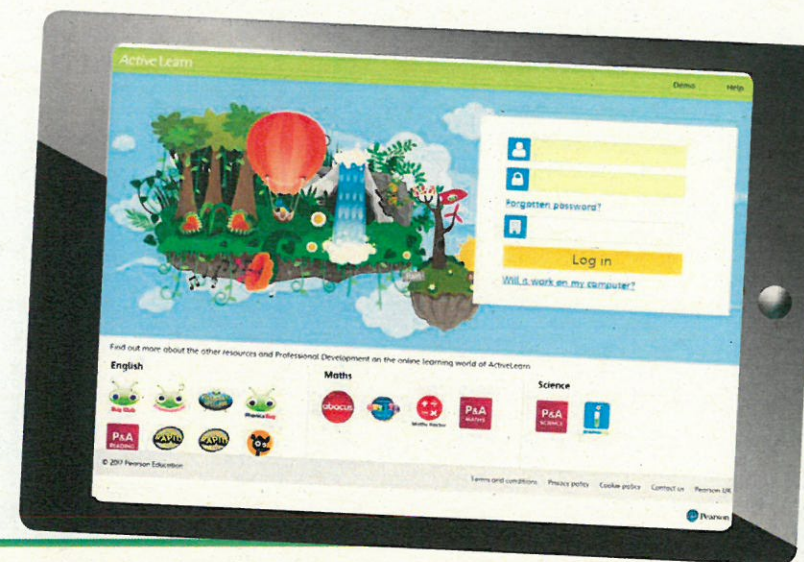

When can children use the eBooks?

- If you have internet connection at home, your child can log on whenever they want to, from home
- If you don't have internet access, we will be making computers available throughout the school day

Using the eBooks

We are providing each child with their own login details to the Active Learn Platform which hosts Bug Club. They can read their eBooks here

Challenges around reading

Effects of parents and schools

The younger a child is, the stronger the impact. At age 5 it is some 5 x the impact of school. At 11 it is about the same strength as school.
