

Our Vision

In three months, I will be a massive sunshine pushing away clouds.

In five years, I will be big bird on a large tree with lots of leaves.

In ten years, I will be a book being read.

In ten years, I will be a paint brush dancing around a blank paper.

In ten years, I will be a horse running around a field.

In ten years, I will be a horse racing in a field.

In ten years, I will be a cow speeding towards the hay.

In ten years, I will be a fast-flying, beautiful bird.

In ten years, I will be a police car catching robbers.

In ten years, I will be a car on a race track.

In twelve years, I will be a thunder storm and as dark as rain.

In nineteen years, I will be a tractor being lifted in a construction site.

In nineteen years, I will be a ball shot by football players in a goal.

In twenty years, I will be a laptop.

In twenty years, I will be a trophy getting lifted into the air in a stadium.

In twenty years, I will be a golden beam of light dancing with my new life.

In twenty years, I will be a glowing light on the TV screen.

In twenty years, I will be a house full of animals.

In twenty years, I will be a tyre on a fast car.

In fifteen years, I will be a gold racing trophy being lifted up high.

In twenty years, I will be many gold coins in a huge vault.

In twenty years, I will be a tiger roaming around.

In twenty years, I will be a stethoscope.

In thirty-five years, I will be a colourful car.

In forty years, I will be a T-Rex fossil roaring every day.
